SKIPPY

I love Skippy Peanut Butter, I could eat it all day long, but my mom won't let me. I like it smooth, but my mom likes it crunchy. Either way, Skippy is the BEST.

BLOCK OUT SUNSCREEN

My mom makes use I use Block Out Sunscreen when I'm in the sun so my skin doesn't turn red. You should use Block Out Sun Screen... because kids need protection too!

CHUCK E. CHEESE

Let's face it, I'm not much fun at restaurants. I squirm, I wiggle, I whine. I can't help it! It's BORING! That's why I like to go to Chuck E. Cheese. They have games, rides, pizza and tons of prizes for me. Yeah, Chuck, E. Cheese. Where a kid can be a kid!

KELLOGS CORN POPS

I had this crazy dream last night. See, I went to my room opened the door, and... POPS! POPS everywhere! So I did what any kid would do... I ate them. But you know what? When I woke up my pillow was gone. Hey, I gotta have my POPS!

FLINTSTONES VITAMINS

Oohh! My parents are always saying, "(name)" – "Eat your spinach", or, "finish your brussel sprouts!" Yuk!! Why is it- that *everything* that's *supposed* to be *good* for me – tastes *sooo bad*? Well I know one thing that's good for me – That doesn't taste bad at all! – My "Flintstone's Vitamins"!- I just chew them up! – And they keep me healthy and strong! "Flintstones Vitamins"! – Trust me, they're *way* better than *cauliflower*!

DISNEYWORLD

(Laugh) I thought I knew my folks - yeah until they took me to Disneyworld! Did someone forget to tell them – they’re parents?? Hello-o! I mean- Mom’s walkin around in “Mickey Ears”! Dad’s doin stuff that makes me sweat (tired)! Then – They want to race me down the snowy mountain! And they whoop me!! Can it get anymore embarrassing than that?! Well – actually- they have been really cool! (but – uh – don’t tell them I said that.) I’m just glad they had as much fun at Disneyworld as I did!!

JACK IN THE BOX

(Yes) They finally figured it out! How to make the *ultimate* cheese burger! Leave it alone! I mean, why put... pickles and... onions... and all sorts of *stuff* – so all you can taste is the *stuff* and not the cheese burger. “Jack in the Box”!! They leave it alone!!

BONNIE BELL

Yeah, so- I asked my mom if I could start wearing lipstick! But she said “No”! I was so upset!... Until she bought me Bonnie Bell Lip- Gloss! It’s super shiny!... So it makes my lips look glamorous – just like lipstick! And it tastes just like bubble gum! Bonnie Bell is perfect for me – right now!!

REBOK

Hey! So I like to run! It’s the fastest way to get from where I am, to where I need to be! So I run everywhere! In school, my favorite class is P.E. That’s why what’s on my feet is so important to me. With Rebok, I know I can run faster than anyone else! So my Reboks come with me – no matter where I go! Rebok- Get out there!

SEAT BELTS

I'm daddy's little girl. I can pretty much get away with anything in the world... except not wearing my seat belt. Last year seat belts saved over 19,000 lives in the United States alone. So every time you get in the car, make sure you buckle up... so you'll always be daddy's little girl.

VERIZON

My parents told me they were going to take my cell phone away because I waste all of my minutes on cheap gossip with my friends. Well believe me, gossip is not cheap. It is very valuable... if you use it the right way. After much debate, and a few tears on my part, they signed up for Verizon's unlimited texting plan. I can text Jenny all the new gossip, I mean "important news", at any time and as much as I want. Thanks Verizon you really know how to keep a girl connected.

DOMINO'S PIZZA

On Wednesday nights, my Dad is supposed to cook dinner for the whole family, but he always ends up calling Domino's Pizza. Domino's isn't just pizza anymore. They have a full menu to choose from with pastas, wings, calzones and more! My mom doesn't seem to mind, now she calls Wednesday nights, Domino's nights.

TOTINO'S PIZZA ROLLS

When I get home from school and my big brother refuses to fix me anything to eat, I make Totino's Pizza Rolls. In just 10 minutes, I can have delicious bite-sized pizza in a crispy roll... and I don't share them with my brother, he can fend for himself!

LUDENS

Every winter I get a really bad cold and my cough seems to last forever, even when I'm better. But I hate the taste of cough syrup. One day I had a cough attack in math class and my teacher gave me a Luden's Cherry flavored cough drop. Finally, a cough remedy that tastes good!

SMUCKERS

My family is very difficult to please. We all like jams and jellies, but we all like different flavors. Now me, I like Smuckers Grape jelly in the big jar. But I tell my sister I don't like it. If she knew I liked grape, she'd eat it all and then there wouldn't be any left for me. It may seem selfish, but I just can't resist the fruit flavor. With a name like Smuckers, it has to be good.

KELLOGG'S POP TARTS

I used to hate to get up in the morning. Now I have my Kellogg's Pop Tarts. The strawberry and the blueberry are my favorites. They're delicious. Now I can't wait for the morning. Try 'em you'll like 'em

LEGOS

I have quite an imagination. My teachers say that some day I'll be doing great things. Right now, I'm already an architect, a designer, an engineer...I think I'm a creative genius... and thanks to Legos, the creative building toy, there's just no limit to what I can do. LEGOS... the creative diversion that helps develop a child's potential.

BAKED VEGGIE CRISPS

Why is it that the stuff that's nutritious never seems to taste as good as the stuff that isn't? Well, that's about to change. Our Veggie Crisps are made with a wholesome blend of rice, potato and real vegetables. And here's the humdinger. They're super tasty too. That's right – we made the impossible, impossibly good. New flat Earth Baked Veggie Crisps.

WELCH'S GRAPE JUICE

There are juices you drink fast and then there's Welch's grape juice. It is just too good to gulp. Remember when you were a kid and how it flooded your mouth with flavor? Well it still does! PILLSBURY CHOCOLATE CHIP COOKIE DOUGH

After everyone was asleep, I tip- toed down the stairs and into the kitchen and slid the Ready Bake Pillsbury Chocolate Chip Cookie Dough into the toaster oven. It smelled SOO good that my Dad and my little brother woke up and came rushing down. Then, mom too! It was like a family camp out. Who says we don't have quality time together? That's including Ready Bake Pillsbury Chocolate Chip Cookie Dough. Mmmmmm!
